commissioned service (other than service as a commissioned warrant officer) performed before such appointment as a regular officer, or as a reserve officer in an active status, in any armed force, the National Oceanic and Atmospheric Administration, or the Public Health Service.

"(b)(1) Under regulations prescribed by the Secretary of Defense, a person who is receiving an original appointment as a reserve commissioned officer (other than a commissioned warrant officer) of the Army, Navy, Air Force, or Marine Corps, or a designation in, or an assignment to, an officer category in which advanced education or training is required and who has advanced education or training, shall be credited with constructive service for such education, training, or experience, as follows:

"(2) If the Secretary of Defense determines that the number of medical or dental officers serving in an active status in a reserve component of the Army, Navy, or Air Force in grades below major or lieutenant commander is critically below the number needed by such reserve component in such grades, the Secretary of Defense may authorize the Secretary of the military department concerned to credit any person who is receiving an original appointment for service as a medical or dental officer with a period of constructive credit in such amount (in addition to any amount credited such person under subsection (b)) as will result in the grade of such person being that of captain or, in the case of the Naval Reserve, lieutenant.

number of years normally required to complete such advanced education or receive such advanced degree exceeds the actual number of years in which such advanced education or degree is obtained by the officer.

"(d) If the Secretary of Defense determines that the number of qualified judge advocates serving on the active-duty list of the Army, Navy, Air Force, or Marine Corps in grades below lieutenant commander or major is critically below the number needed by that armed force in those grades, the Secretary of Defense may authorize the Secretary of the military department concerned to credit any person who is receiving an original appointment with a view to assignment to the Judge Advocate General's Corps of the Army or appointment to the Judge Advocate General's Corps of the Navy, or who is receiving an original appointment in the Air Force or Marine Corps with a view to designation as a judge advocate, with a period of constructive service in such an amount (in addition to any amount credited such person under subsection (b)) as will result in the grade of such person being that of captain or, in the case of the Navy, lieutenant, and the date of rank of such person being junior to that of all other officers of the same grade serving on the active-duty list.

"(e) Constructive service credited an officer under subsection (b) or (d) shall be used only for determining the officer's-

"(1) initial grade as a reserve officer;

"(2) rank in grade; and
